

## Junto Steinzeug - Teil | Part 1/6

Willkommen im Dschungel! „Urban-Jungle“ heißt der Wohntrend, der das kommende Jahr mitprägen wird. Perfekt in dieses Szenario passt die Junto Kollektion in der neuen sanftgrünen Farbglasur „Jungles“. Die besondere Reaktivglasur bei Tellern, Bechern und Bowls in verschiedenen Größen sorgt auch bei der neuen Nuance für einzigartige Effekte und kreiert ein atmosphärisches Tischarrangement. Der neue Ton lässt sich besonders gut mit den bestehenden Junto-Glasuren kombinieren, allen voran mit sanften Nuancen wie Bronze oder Dune.

*Welcome to the jungle! “Urban Jungle” is the name of the interior design trend that will shape the coming year. The Junto collection in the new soft green colour glaze “Jungles” fits perfectly into this scenario. The special reactive glaze on plates, mugs and bowls in various sizes creates unique effects in the new shade and makes for an atmospheric table setting. The new colour goes particularly well with the existing Junto glazes, especially with soft tones such as Bronze or Dune.*
