Our roulades

Lavishly filled and rolled chicken roulades enjoy showing off what they can do. They glisten when sliced on the buffet or „roll“ delightfully into the centre of the plate. Coated in a classic way with seasoned chicken skin – simply ingenious visually, too.

- hand-rolled
- inspired by a creative kitchen
- equal servings
- high product reliability*
- prepare and serve

Recommended by:
Maurice Schäfer
Regional Key Account Manager

„I recommend preparing in a combi steamer for a particularly good, crispy end result. Use a coated roasting tray ideally so that the heat can also reach the underside of the roulades perfectly.“
