

INCREASE BOOKINGS. ENTHUSE GUESTS.

JULIA – your virtual receptionist.

From the **enquiry** to the **thank you e-mail**, **JULIA** accompanies the guests independently **around the clock** and fulfils their demands and the demands of the property managers at the same time.

★ All functions at a glance:

- Automated **guest communication**
- Online **bookability**
- GDPR-compliant **enquiry management**
- **Channel Management**
- Web-based **room management**
- Automatic **invoicing**
- Reporting & statistics
- **Interfaces** to guest registration & cash register
- Large selection of **widgets**
- Digital **guest portfolio** & vacation companion

YOUR ROOM PLAN

Simple. Digital. Convenient.

The central element of your JULIA: in the web-based room plan you can see your availabilities, enquiries and bookings incl. the source in real time. With just a **few clicks** you can manage guest information, create invoices or register your guests.

Would you like to learn **more about JULIA** and become **part of our community**? Simply scan the QR code or contact us at www.easybooking.eu/kontakt.

ALL YOU CAN USE.

Versatile and comprehensive.

Fully automatic response to online enquiries around the clock.

Automated guest communication in seven different languages.

Mobile management made simple with a web-based room plan, professional and GDPR-compliant.

Online bookability with high conversion thanks to various payment methods, alternative travel periods and PCI compliance.

More service and turnover through packages and additional amenities than can be booked online.

Comprehensive training and user forum.

Reporting

Practical reports on arrivals & departures, payments, overnight stays statistics, financial statements, and much more.

Offers

Attractive showcasing of offers that result in actual bookings.

Channelmanager

No more double bookings, JULIA manages all important distribution channels centrally and in real time.

Guest registration

Save time thanks to digital guest registration and online check-in prior to arrival.
